

CURRICULUM VITAE (10/06)

AUGUST LAFAYETTE READER, III, M.D., F.A.C.S.

Date of Birth: February 24, 1949

Place of Birth: Fort Worth, Texas

Professional Addresses: Pacific Eye Associates

2100 Webster Street, Suite 214

San Francisco, California 94115

Education:

Undergraduate: University of Texas at Arlington

Arlington, Texas 1967-70

Degree: B.S. *cum laude* in Biology

Medical School: University of Texas Health Science Center

San Antonio, Texas 1970-74

Degree: M.D.

Postgraduate Experience:

Internship: Rotating (Emphasis on Neurology)

National Naval Medical Center

Bethesda, Maryland 1974-75

Residency: Ophthalmology

National Naval Medical Center

Bethesda, Maryland 1975-78

Fellowship: Fellow in Neuroophthalmology and Orbital

Diseases and Surgery

Edward S. Harkness Eye Institute

Columbia-Presbyterian Medical Center

New York, New York 1978-79

Medical Licensure:

CALIFORNIA #G34886 July 8, 1977

OHIO #45400 September 8, 1980

Board Certifications: American Board of Ophthalmology

October 24, 1979

American Board of Forensic Examiners

March 31, 1996

Fellow - 1997

American Board of Forensic Medicine

July 1, 1996

Military Service: (Exclusive of Training)

Ensign, Medical Corps, United States Naval Reserve, 1970-72

Lieutenant (j.g.), Medical Corps, United States Naval Reserve, 1972-74

Lieutenant, Medical Corps, United States Navy, 1974-78

Lieutenant Commander, Medical Corps, United States Navy, 1978-83

Research Clerkship, Naval Medical Research Unit Number One,
Oakland, California, June - August, 1971

General Medical Officer, USS MOUNT WHITNEY (LCC-20),
Operation SOLID SHIELD, 1975

General Medical Officer, USS CORONADO (LPD-11), 1975

Staff Ophthalmologist, Department of Ophthalmology, Naval Regional Medical Center, San
Diego, California 1979-83

Chief, Neuroophthalmology Unit 1979-83

Director, Electrophysiology Laboratory 1979-83

Assistant Chairman and Director of Residency Training 1983

Academic Appointments:

Clinical Instructor in Ophthalmology, Department of Surgery, University of California at San Diego, La Jolla, California 1980-83

Academic Appointments (Cont.):

Clinical Assistant Professor of Ophthalmology, Estelle Doheny Eye Institute,
University of Southern California School of Medicine, Los Angeles, California 1983-91

Clinical Associate Professor of Ophthalmology, Estelle Doheny Eye Institute,
University of Southern California School of Medicine, Los Angeles, California
1991-Present

Clinical Professor of Ophthalmology, California Pacific Medical Center, San Francisco,
California, 1998-Present

Hospital Appointments:

Staff Ophthalmologist, Veterans' Administration Hospital, La Jolla, California 1979-83

Consultant in Neuroophthalmology and Orbital Diseases, University Hospital,
San Diego, California 1980-83

Consultant in Ophthalmology and Orbital Diseases, University Hospital,
Ridgecrest Community Hospital, Ridgecrest, California 1980-85

Visiting Professor of Ophthalmology, Road El Farag Ophthalmic Hospital,
Cairo, Egypt November, 1981 - February, 1982

Attending Ophthalmologist, Midway Hospital Medical Center, Los Angeles, California 1983-99

Attending Ophthalmologist, Children's Hospital of Los Angeles, Los Angeles, California 1983-95

Director, Neuroophthalmology Service, 1983-87

Attending Ophthalmologist, Cedars-Sinai Medical Center, Los Angeles, California
1983 - 2001

Attending Ophthalmologist, USC-Los Angeles County Medical Center
Los Angeles, California 1984-99

Director, Ophthalmic Electrophysiology Laboratory, Ellis Eye Center,
Cedars-Sinai Medical Center, Los Angeles, California 1984 - 2001

Provisional Staff - St. John's Hospital Santa Monica, California 1984-86

Hospital Appointments (Cont.):

Cedars-Sinai Physicians Independent Practice Association, Cedars-Sinai

Medical Center, Los Angeles, California

Founding Member, Board of Directors 1985-93

Chairman, Quality Assurance and Internal Operations Committee 1989-93

Chairman, Ophthalmology Section 1990 - 93

Health Source Medical Group (re-naming of above IPA)

Chairman, Ophthalmology Section, 1993-1997

Member, Anesthesia Committee, Midway Hospital Medical Center,

Los Angeles, California 1985-89

Member, Ophthalmology Committee, Midway Hospital Medical Center,

Los Angeles, California 1986-1992

Member, Anesthesia Advisory Committee, Cedars-Sinai Medical Center,

Los Angeles, California 1986-88

Member, Executive Peer Review Committee, Cedars-Sinai Medical Center,

Los Angeles, California 1989

Associate Staff, White Memorial Medical Center, Los Angeles, California

Director, Neuroophthalmology Service and Instructor in Neuroophthalmology
and Orbital Diseases 1990 - 1995

Chairman, Department of Ophthalmology, Midway Hospital Medical Center, Los Angeles, California 1990-91

Chairman, Ophthalmology Re-Appointments, Privileges, and Peer Review

Committee, Midway Hospital Medical Center, Los Angeles, California 1990-91

Member, Medical Executive Committee, Midway Hospital Medical Center, Los Angeles, California 1990-91

Member, Quality Assurance/Risk Management Committee, Midway Hospital

Medical Center, Los Angeles, California 1990-91

Member, Bio-Ethics Committee, Cedars-Sinai Medical Center, Los Angeles, California 1990-91

Credentials Committee, Cedars-Sinai Medical Center 1990 - 1996

Vice-Chairman, 1993

Chairman, 1994 -1995

Provisional Staff, Alta Bates Medical Center, Berkeley, California 1996-1999

Hospital Appointments (Cont.):

Attending Surgeon, California Pacific Medical Center, San Francisco, California 1998-Present

Attending Surgeon, UCSF-Mount Zion Medical Center, San Francisco, California 1999-2003

Ophthalmology Department Advisory Committee, California Pacific Medical Center, San Francisco, California, 2003-Present

Honors and Awards:

National Science Foundation Scholar, University of Texas, Austin, Texas 1966

Epsilon Phi Honor Society, University of Texas at Arlington,
Arlington, TX 1968-70 (President, 1969-70)

Certificate of Appreciation, United States Embassy, Cairo, Egypt
Alfred Atherton, Ambassador, February 12, 1982

Honor Award, American Academy of Ophthalmology, 1996

Certificate of Appreciation, The Association of Pharmaceutical and Therapeutic Sciences –
Japan, Kobe, Japan, September 26, 2003

Professional Society Associations:

Association of Military Surgeons of the United States, 1973-83

The Frank B. Walsh Society, 1974-1991 (merged with North American Neuroophthalmology Society)

American Medical Association, 1976-91

American College of Surgeons,

Candidate, 1976-88

Fellow, 1988 - Present

American Association of Ophthalmology, 1977-81

San Diego Academy of Ophthalmology (Military Member), 1980-82

Professional Society Associations: (Cont.):

American Academy of Ophthalmology,

Fellow, 1980 - Present

Board of Councilors, 1990

Member, Managed Care Task Force, 1993

Consultant, Secretariat of Ophthalmic Practice, 1993

Member, Practice Management Committee, 1993 - 1996

Chairman, Managed Care Committee, 1993 - 1996

Member, Ophthalmic Practice Secretariat, 1993 - 1996

Honor Award, 1996

Undersea Medical Society, 1982 – 1994

Meyer Wiener, M.D. Alumni Association, 1983 - Present

California Medical Association, 1983 - 1995

Los Angeles County Medical Association, 1983 -1995

California Academy (formerly Association) of Ophthalmology

Member, 1984 - Present

Chairman, Peer Review Committee, 1987 - 1994

Director, 1988 - 2000

Executive Council, 1988 – 2000

Vice President for Peer Review, 1988 - 1993

Nominating Committee, 1991 - 1994

Member, Managed Care Committee, 1993 - 2000

Vice President for Ophthalmic Practice and Managed Care, 1994 - 2000

Los Angeles Society of Ophthalmology, 1984 - 1995

International Society of Refractive Keratoplasty, 1985 - 1995, 1999-2003

Physicians for Social Responsibility, 1985 - 1995

Society of Eye Surgeons of the International Eye Foundation, 1986 - 1991

American Society of Cataract and Refractive Surgery (formerly American Intraocular Implant Society), 1986 – 1998, 2000 - Present

Pan-American Association of Ophthalmology, 1987-1991

Physicians Who Care, 1987-91

Physicians for Quality, 1988-91

Association of Transpersonal Psychology, 1989-1993

Professional Society Associations: (Cont.):

North American Neuroophthalmological Society, 1992-Present

Fellow 2000 – Present

Miscellaneous Qualifications:

Provider, Cardiac Life Support, 1980-86

Ophthalmologist-in-Chief, Cooperative Eye Surgery Project, International Eye Foundation, Cairo, Egypt, November 1981 - February 1982

Consultant Ophthalmologist, Naval Medical Research Unit No. 3, Cairo, Egypt
November 1981 - February 1982

Consultant Ophthalmologist, United States Embassy, Cairo, Egypt,
November 1981 - February 1982

Consultant Ophthalmologist, Family Health Group, Tamunin, Guam, 1982

Approved Investigator for American Medical Optics, Nd:YAG Laser, April 23, 1983

Approved Investigator for Radial Keratotomy, Corneal Lens Laboratory,
Mission Hills, California, October 23, 1983

Member, Scientific Advisory Board - Optical Radiation Corporation, Azusa, California 1987-90

Member, California Medical Association Ad Hoc Committee on Peer Review

in the Ambulatory Setting, 1988-90

Professional Reviewer, Board of Medical Quality Assurance, Department of
Consumer Affairs, State of California, 1988-93

Alternate Delegate, American Academy of Ophthalmology, Board of Councilors
1988-91

Approved Investigator, VISX Excimer Laser, Estelle Doheny Eye Institute,
USC School of Medicine, Los Angeles, California, January 18, 1991
Recertified, Cedars-Sinai Medical Center, Los Angeles, California, May 10- 11, 1996

Qualified Medical Examiner, Industrial Medical Council, State of California
1992 - 1995

Protestant and Buddhist Lay Chaplain, Cedars-Sinai Medical Center, Los Angeles, California, 1992 -
1998

Miscellaneous Qualifications (Cont):

Approved, Summit Excimer Laser, 1996 - Present

Approved, VISX Excimer Laser, 1996 - Present

Approved, Summit/Autonomous Excimer Laser, 2000 – Present

Approved, LASIK, 1997 – Present

Approved, Sunrise Hyperion LTK Laser, October 7, 2000

Courses Given:

Instructor, Mass Casualties and Trauma, Fleet Refresher Training Course,
Guantanamo Bay, Cuba, 1975

Guest Instructor, Lamellar and Radial Keratotomy Workshop Holy Cross Hospital
Mission Hills, California, January 19-20, 1985

Instructor, Radial Keratotomy Workshop, Estelle Doheny Eye Institute,
Los Angeles, California, March 9, 1985

Instructor, Radial Keratotomy Course, International Society for Refractive Keratoplasty Annual
Convention, Las Vegas, Nevada, January 20, 1987

Instructor, Radial Keratotomy Course, International Society for Refractive Keratoplasty Annual
Convention, Las Vegas, Nevada, January 16, 1988

Instructor, Radial Keratotomy Course, International Society for Refractive Keratoplasty Clinical Course,
Los Angeles, California, June 18, 1988

Instructor in Phacoemulsification, Phacoemulsification Course at Research Study

Club of Los Angeles 58th Annual Mid-Winter Conference, Los Angeles, California,
February 12, 1989

Instructor, Radial Keratotomy Instruction Course, International Society of Refractive

Keratoplasty, adjunct to American Academy of Ophthalmology Annual Convention, Anaheim, California,
October 11, 1991

Instructor, Orbital Surgery Workshop, Orbital Surgery Workshop and Seminar,

Jules Stein Eye Institute, UCLA School of Medicine, Los Angeles, California

May 14, 1993

Presentations:

Cortical heterotopia. Ninth Neuroophthalmology-Pathology Symposium,

St. Louis, Missouri, February 21, 1977

Fibromuscular dysplasia of the carotid artery. Southern Medical Association

Annual Convention, Dallas, Texas, November 8, 1977

Pupillary abnormalities. Edward S. Harkness Postgraduate Course in

Ophthalmology, New York, New York, October 17, 1978

Spasmus nutans. Pediatric Neurology Symposium, Columbia-Presbyterian Medical Center, New York, New York, March 20, 1979

Controversies in optic nerve injuries. Cranio-cerebral Trauma Symposium, California Medical Association Annual Convention, San Diego, California, February 9, 1980

Optic atrophy, ophthalmoplegia, and gait ataxia. Third International Neuroophthalmology Congress, Valbella, Switzerland, March 21, 1980

Hysteria and malingering. Tri-Service Optometric Conference, San Diego, California, April 29, 1981

Neuroophthalmic manifestations of intracranial neoplasms. Guest lecturer,

Ophthalmology Grand Rounds, University of California at San Diego, California, September 17, 1981

Variations of intraocular pressure on vertical gaze. (Poster presentation).

American Academy of Ophthalmology Annual Convention, Atlanta, Georgia, November 1-6, 1981

Hysteria and malingering. Instruction Course, American Academy of Ophthalmology Annual Convention, San Francisco, California, November 6, 1981

Silent diminution of vision. Guest of honor, Egyptian Ophthalmological Society
Annual Convention, Cairo, Egypt, January 22, 1982

Intracranial aneurysms and neoplasms. Guam Medical Society, Tumon, Guam,
June 14, 1982

Hysteria and malingering. Instruction Course, American Academy of
Ophthalmology Annual Convention, San Francisco, California,
November 2, 1982

Diagnosis of cranial nerve palsies. Tri-Service Optometric Conference,
San Diego, California, April 29, 1983

Presentations (Cont):

Optic nerve hypoplasia and hypothalamic dysfunction. Endocrine Grand Rounds, Cedars-
Sinai Medical Center, Los Angeles, California, October 14, 1983

Hysteria and Malingering. Instruction Course, American Academy of Ophthalmology Annual
Convention, Chicago, Illinois, November 3, 1983

Ophthalmic electrophysiologic testing. "Ophthalmology '84", Cedars-Sinai Medical Center, Los
Angeles, California, June 2, 1984

How electrophysiologic testing can enhance your practice. Cedars-Sinai and Midway Medical
Centers Combined Ophthalmology Conference, Los Angeles, California, September 25,
1984

Neuroophthalmology: How to check for hysteria and malingering. Los Angeles County
Optometric Society, Los Angeles, California, October 25, 1984

Hysteria and malingering. Instruction Course, American Academy of Ophthalmology Annual
Convention, Atlanta, Georgia, November 5, 1984

Grave's Ophthalmopathy: Diagnosis and treatment. Endocrine Grand Rounds, Cedars-Sinai
Medical Center, Los Angeles, California, November 13, 1984

A new method for the extraction of the crystalline lens - Jacques Daviel (1693 - 1762).
Classics in Medical History Series, UCLA School of Medicine, Los Angeles, California,
March 25, 1985

Neuroophthalmology vs. Ophthalmology.

Diplopia: Causes and Care.

Anisocoria: Which pupil is bad - The big or the little?

How to interpret visual field defects

The optic nerve head

All presented at Optifair Midwest, Chicago, Illinois, June 2, 1985

A new method for the extraction of the crystalline lens.

Resident's Day, Estelle Doheny Eye Institute, USC School of Medicine

Los Angeles, California, June 14, 1985

Diplopia: Causes and care

Anisocoria: Which pupil is bad - The big or the little

The optic nerve head

How to interpret visual field defects

Neuroophthalmology vs. Ophthalmology

All presented at Optifair West, Anaheim, California, September 21, 1985

Hysteria and malingering. Instruction Course, American Academy of Ophthalmology Annual Convention, San Francisco, California, October 2, 1985

Presentations (Cont):

Optic nerve decompression. Los Angeles Research Study Club,

Los Angeles, California, January 23, 1986

Everything you ever wanted to know about radial keratotomy but were

afraid to ask. Quarterly staff seminar, Villa View Community Hospital

San Diego, California, April 5, 1986

Progressive low-tension glaucoma. Ophthalmology conference, Midway Hospital Medical Center, Los Angeles, California, October 28, 1986

Pachymetry and instrumentation. Radial Keratotomy course, International Society of Refractive Keratoplasty Annual Convention, Las Vegas, Nevada, January 20, 1987

Differences between ultrasonic pachymeters in measuring corneal thickness.

Residents' Day, Estelle Doheny Eye Institute, Los Angeles, California, June 13, 1987

A new lens for small incision cataract surgery. Controversies in Ophthalmology, Estelle Doheny Eye Institute, Los Angeles, California, September 13, 1987

Memory lens: Preliminary report of animal studies. Principle Investigators Roundtable sponsored by Optical Radiation Corp., adjunct meeting to American Academy of Ophthalmology Annual Convention, Dallas, Texas, November 8, 1987

Pachymetry and instrumentation for radial keratotomy. Radial Keratotomy: Basic Instrumentation Course, International Society of Refractive Keratoplasty Annual Convention, Las Vegas, Nevada, January 16, 1988

Memory lens update. Research Study Club of Los Angeles Annual Meeting, Los Angeles, California, February 3, 1988

Small incision lens implants - Update '88. Clinical Conference, Estelle Doheny Eye Institute, Los Angeles, California, June 10, 1988

Reoperations and techniques in radial keratotomy. International Society of Refractive Keratoplasty Clinical Course, Los Angeles, California, June 18, 1988

Soft lens implants and insertion techniques. International Society of Refractive Keratoplasty Clinical Course, Los Angeles, California, June 19, 1988

Hysteria and malingering: The newest malingerers. The Fourth Annual George Kambara Conference in Neuroophthalmology, White Memorial Hospital, Los Angeles, California, March 19, 1989

Quality peer review for ophthalmology in California. California Association of Ophthalmology Annual Convention, Santa Barbara, California, May 7, 1989

Presentations (Cont):

A new cataract suturing technique for the control of astigmatism. Estelle Doheny Eye Institute Residents' Day Conference, Los Angeles, California, June 9, 1989

Management of orbital complications in sinus surgery. Symposium on Safe Surgery of the Ethmoid and Sphenoid Sinuses, Cedars-Sinai Medical Center, Los Angeles, California, June 16, 1990

Management of orbital complications in sinus surgery. Symposium on Safe Surgery of the Ethmoid and Sphenoid Sinuses, Cedars-Sinai Medical Center, Los Angeles, California, December 1, 1990

Horus, Hermes, Helmholtz, and Heuristic Ophthalmology. Classics of Medical History Series, UCLA School of Medicine, Los Angeles, California, March 12, 1991

Management of orbital complications in sinus surgery. Symposium on Safe Surgery of the Ethmoid and Sphenoid Sinuses, Cedars-Sinai Medical Center, Los Angeles, California, April 7, 1991

Esoteric history of ophthalmology. Ophthalmology Departmental meeting, Midway Hospital, Los Angeles, California, April 24, 1991

Update on horizontal mattress suture for cataract surgery. Estelle Doheny Eye Institute's Resident Day Conference, USC School of Medicine, Los Angeles, California, June 7, 1991

The internal mystery plays: The role and physiology of the visual system in contemplative practices. A two hour workshop presented at Association of Transpersonal Psychology Annual Convention, Asilomar, California, August 3, 1991

Near death experiences. Surgical nursing symposium, Cedars-Sinai Medical Center, Los Angeles, California, December 9, 1991

Management of optic nerve gliomas. Symposium on "Genetic Disease and the Eye," Cedars-Sinai Medical Center, Los Angeles, California, January 25, 1992

Neurophysiology of near-death experiences. White Memorial Medical Center Annual Ophthalmology Symposium, Los Angeles, California, February 21, 1992

Mystical medicine: Where religions and reptilian reflexes meet. Workshop conducted at Association of Transpersonal Psychology Annual Meeting, Asilomar, California, August 28, 1992

The internal mystery plays: The role and physiology of the visual system in contemplative practices. A two hour workshop presented to the Philosophical Research Society, Los Angeles, California, September 21, 1992

Presentations (Cont):

Mind, body, soul. Presented at the Eighth Annual Conference on Psychology and Judaism held at Cedars-Sinai Medical Center, Los Angeles, California,
February 14, 1993

An unusual case of pediatric pseudotumor cerebri. Pediatric Clinical Case Conference, Cedars-Sinai Medical Center, Los Angeles, California,
February 16, 1993

Ophthalmology and managed care: where do we fit in. American Academy of Ophthalmology Mid-Year Forum, Chicago, Illinois, April 24, 1993

Ophthalmology managed care networks. Alta Ophthalmological Society, Sacramento, California, May 13, 1993

Orbital tumors: Diagnostics and management frontiers. Orbital Surgery Workshop and Seminar, Jules Stein Eye Institute, UCLA School of Medicine, Los Angeles, California, May 15, 1993

Ophthalmology and managed care: How do we position ourselves for the future. Annual Alumni Meeting, Doheny Eye Institute, Los Angeles, California, June 5, 1993

Management of orbital complications. Surgery of the Ethmoid and Sphenoid Sinuses - Without Orbital or Intracranial Complications - The Challenge of the Nineties, Cedars-Sinai Medical Center, Los Angeles, California, June 12, 1993

The psychophysiology of religious experience: The roots of healing. Workshop presented at the Association of Transpersonal Psychology Annual Convention and 25th Convocation, Asilomar, California, August 27, 1993

Managed care symposium. Course director for all day educational conference on managed care sponsored by the California Association of Ophthalmology, San Francisco, California, October 8, 1993

Managed care symposium. Course director for all day educational conference on managed care sponsored by the California Association of Ophthalmology, Los Angeles, California, October 15, 1993

Use of Voltaren[®] and disposable contact lenses in the treatment of corneal abrasions. International Society of Refractive Keratoplasty Clinical Conference, Chicago, Illinois, November 13, 1993

Managed care advocacy and the American Academy of Ophthalmology. Presented to the American Academy of Ophthalmology Council, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 14, 1993

Presentations (Cont):

Managed care and the Program for Practice Assessment. Featured speaker for Kabi Pharmaceuticals, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 14, 1993

Ophthalmology and managed care. Invited Speaker, Opening ceremony address to American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 15, 1993

Managed care noontime briefing. American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 15, 1993

Managed care at the state level. State Affairs Committee meeting, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 16, 1993

Total quality management. Instruction Course, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 16, 1993

Quality improvement. Instruction Course, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 16, 1993

Contracting with managed care payers. Instruction Course given at American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 17, 1993

Managed care noontime briefing. American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 17, 1993

Dividing the capitation pie. Instruction Course, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 17, 1993

Positioning a practice for managed care. Instruction Course, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, November 18, 1993

American Academy of Ophthalmology and managed care. Presented to Association of Major Ophthalmic Buying Groups, Chicago, Illinois, November 21, 1993

Managed care contract analysis. Invited Guest Lecture, Hawaiian Ophthalmological Society' Annual Convention, Honolulu, Hawaii, February 19, 1994

Getting prepared for managed care. Invited Guest Lecture, Hawaiian Ophthalmological Society' Annual Convention, Honolulu, Hawaii, February 19, 1994

Capitation and cost analysis for your office. Invited Guest Lecture, Hawaiian Ophthalmological Society' Annual Convention, Honolulu, Hawaii, February 20, 1994

Presentations (Cont):

Managed care advocacy. Course director for American Academy of Ophthalmology Managed Care Advocacy State Representatives training, Dallas, Texas, March 4-6, 1994

Getting ready for managed care. Invited Guest Lecture, Michigan Ophthalmological Society, Detroit, Michigan, March 17, 1994

Update on managed care advocacy efforts. American Academy of Ophthalmology Mid-Year Forum, Chicago, Illinois, April 15, 1994

Managed care for the oculo-plastic surgeon. Invited Guest Lecture, American Society of Oculo-plastic and Reconstructive Surgery Annual Convention, Napa, California, May 2, 1994

Preparing for managed care. Visiting Professor, Grand Rounds, Ophthalmology Department, Vanderbilt University, Nashville, Tennessee, June 6, 1994

Capitation and managed care for the pediatric ophthalmologist. Instruction Course, American Society of Pediatric Ophthalmology and Strabismus Annual Convention, Vancouver, British Columbia, June 22, 1994

Effective networking for today's managed care opportunities. Instruction Course in Managed Care Networking, American Academy of Ophthalmology Summer Institute, Seattle, Washington, August 5, 1994

Effective networking for today's managed care opportunities. Instruction Course in Managed Care Networking, American Academy of Ophthalmology Summer Institute, Seattle, Washington, August 6, 1994 (Same course as above given on two different days)

Managed care issues symposium. American Academy of Ophthalmology Summer Institute, Seattle, Washington, August 6, 1994

Near-death experiences and the roots of spiritual and psychological healing. Motion Picture Health and Welfare Hospital, Chaplaincy Service Annual Service Awards Dinner, Woodland Hills, California, September 5, 1994

Network management: Recruitment, credentialing and termination of providers. Vision and Eye Care Congress, Institute for International Research, McLean, Virginia, September 12, 1994

Quality assurance: Conducting a program for eyecare. Vision and Eye Care Congress, Institute for International Research, McLean, Virginia, September 12, 1994

The future of eyecare. Symposium and roundtable. Vision and Eye Care Congress, Institute for International Research, McLean, Virginia, September 12, 1994

Presentations (Cont):

How to form statewide networks. California Association of Ophthalmology Annual Convention, Pasadena, California, September 23, 1994

Contract analysis: Pitfalls and parasols. Instruction Course, American Academy of Ophthalmology Annual Convention, San Francisco, California,

November 1, 1994

Managed care and the sub-specialist. Instruction Course, American Academy of Ophthalmology Annual Convention, San Francisco, California,

November 2, 1994

Managed care noontime briefing. American Academy of Ophthalmology Annual Convention, San Francisco, California, November 2, 1994

How changes in health care policy impacts HMO's. American Academy of Ophthalmology Annual Convention Scientific Session, San Francisco, California, November 2, 1994

Ophthalmology and the optical laboratories. Invited Guest Lecture, Optical Laboratories Association Annual Convention, Kansas City, Missouri, December 9, 1994

Managed care and university ophthalmology. Invited Guest Lecture, Association of University Professors of Ophthalmology Annual Meeting, New Orleans, Louisiana, February 16, 1995

What is happening with the universities in managed care? Panel discussion, Association of University Professors of Ophthalmology Annual Meeting, New Orleans, Louisiana, February 16, 1995

Network management: Recruitment, credentialing, and termination. Managed Vision and Eye Care Congress, Institute for International Research, San Francisco, California, February 27, 1995

Quality assurance: Conducting a program for eye care. Managed Vision and Eye Care Congress, Institute for International Research, San Francisco, California, February 27, 1995

What is the future of vision and eye care services? Panel discussion, Managed Vision and Eye Care Congress, Institute for International Research, San Francisco, California, February 28, 1995

Containing costs and contracting for coordinated vision and eye care services. Managed Vision and Eye Care Congress, Institute for International Research, San Francisco, California, February 28, 1995

Presentations (Cont):

Cost containment, utilization management, and quality assurance. Invited Guest Lecture, Ohio Ophthalmological Society Annual Meeting, Columbus, Ohio, March 4, 1995

Statewide networks. Invited Guest Lecture, Ohio Ophthalmological Society Annual Meeting, Columbus, Ohio, March 4, 1995

Ophthalmology and managed care: Report from the front. Panel discussion concerning emerging networks in Ohio, Ohio Ophthalmological Society Annual Meeting, Columbus, Ohio, March 4, 1995

What is managed care? Research Study Club of Los Angeles, Los Angeles, California, March 31, 1995

Statewide networks. Research Study Club of Los Angeles, Los Angeles, California, March 31, 1995

Promoting and Establishing and Local or Regional Network: Contractual Issues. American Society of Ophthalmic Administrators Annual Convention, San Diego, California, April 1, 1995

Forming networks in states and regions. American Society of Ophthalmic Administrators Annual Convention, San Diego, California, April 2, 1995

Utilization + Quality Management = Net Profits. American Society of Cataract and Refractive Surgery / American Society of Ophthalmic Administrators Annual Convention, San Diego, California, April 3, 1995

Skills and strategies of negotiating a contract. American Society of Cataract and Refractive Surgery / American Society of Ophthalmic Administrators Annual Convention, San Diego, California, April 3, 1995

Using capitation software to negotiate better capitated contracts. American Society of Cataract and Refractive Surgery / American Society of Ophthalmic Administrators Annual Convention, San Diego, California, April 4, 1995

Managing and developing effective networks to maximize service, access, and cost-effectiveness. Presentation followed by panel discussion. Managed Vision and Eye Care Congress '95, Institute for International Research, Chicago, Illinois, September 19, 1995

Contracting issues for payers with their providers. Managed Vision and Eye Care Congress '95, Institute for International Research, Chicago, Illinois, September 19, 1995

Presentations (Cont):

Building standards for the vision and eye care industry to raise service and quality.

Presentation (“Should competitors join forces to promote managed vision and eye care?”) followed by panel discussion. Managed Vision and Eye Care Congress '95, Institute for International Research, Chicago, Illinois, September 19, 1995

Managed care and the sub-specialist. Instruction Course, American Academy of Ophthalmology Annual Convention, Atlanta, Georgia, October 31, 1995

Negotiating a successful contract, II. Instruction Course, American Academy of Ophthalmology Annual Convention, Atlanta, Georgia, November 2, 1995

Alternative medical therapies: Cost effective complements to managed healthcare. Congress on Integrating Alternative Medicine into Managed Care Systems, Institute for International Research, San Francisco, California, December 7, 1995

The near death experience. California Society for Psychical Study, Berkeley, California, January 16, 1996

Managed Care Contracting: Part 2 – Contract Wording. Managed Care Update, San Diego Eye Bank, San Diego, California, January 20, 1996

Managed care. Invited Guest Lecture, Ophthalmology 1996: An Update for Ophthalmic Registered Nurses. American Society of Ophthalmic Registered Nurses Annual Convention, San Francisco, California, March 1, 1996

The gatekeeper ophthalmologist: A win-win partnership for managed care. Alta Ophthalmological Society, Sacramento, California, May 16, 1996

Identification of optic nerve disorders. Ocular Symposium: Pearls in Ocular Diagnosis, Optometry Alumni Association of the University of California, Berkeley, San Francisco, California, June 2, 1996

Managing ophthalmic diseases in AIDS under a capitated setting. HIV/AIDS Managed Care Summit '96, Institute for International Research, San Francisco, California, August 23, 1996

Getting started: Saving money in a managed care setting using alternative and complementary medicine. Workshop leader and lecturer, National Complementary Healthcare Week '96, Institute for International Research,

Washington, D.C., October 9, 1996

From Credentialing to Utilization. National Complementary Healthcare Week '96, Institute for International Research, Washington, D.C., October 9, 1996

Presentations (Cont):

Low Vision Rehabilitation Using Complementary Methods. Lodi Low Vision Support Group, Lodi, California, October 13, 1996

Managed care and the sub-specialist. Instruction Course, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, October 31, 1996

Low Vision Rehabilitation Using Complementary Methods. San Joaquin Optometric Association, Modesto, California, November 11, 1996

Complementary and Alternative Medicine: Critical Success Factors for Managed Care Integration. (Chairperson for the conference), CambridgeHealth Resources, San Diego, California, February 3-4, 1997

Saving Money in Managed Care. Complementary and Alternative Medicine: Critical Success Factors for Managed Care Integration, CambridgeHealth Resources, San Diego, California, February 4, 1997

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, February 19, 1997

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, February 20, 1997

An Overview of Alternative Medicine and How It Applies to the Visually Impaired. Invited Guest Lecture, Optometric Alumni Association of UC Berkeley 7th Annual Meeting, Yosemite, California, April 5, 1997

Low Vision Rehabilitation Using Complementary Methods: An Update. Invited Guest Lecture, San Joaquin Optometric Association, Modesto, California, October 13, 1997

Creating Quality Standards for the Exploding Botanical Medicines Market. Co-Chairperson for conference, Institute for International Research, San Francisco, California, October 27-29, 1997

The Regulation of Mixed-Herbal Medicines. Creating Quality Standards for the Exploding Botanical Medicines Market, Institute for International Research, San Francisco, California, October 27-29, 1997

Free Radical Mechanisms of Disease and Antioxidant Therapy. Cedars-Sinai Medical Center, Los Angeles, California, November 17, 1997

Low Vision Rehabilitation Using Complementary Methods: An Update. Livermore Optometric Group, Livermore, California, November 25, 1997

Micronutrition with Vitamins. Cedars-Sinai Medical Center, Los Angeles, California, December 15, 1997

Presentations (Cont):

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, February 27, 1998

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, March 20, 1998

Low Vision Rehabilitation Using Complementary Methods. Fifteenth Annual Barkan Symposium, Department of Ophthalmology of the California Pacific Medical Center, Carmel Valley, California, May 8, 1998

Treatment of Retinal Disorders Using Complementary Methods. Invited Guest Lecture, Meredith Morgan Symposium on Age-related Macular Degeneration, University of California School of Optometry, Berkeley, California, June 14, 1998

Role of Herbal Medicine and Nutrition in Ocular Diseases. San Joaquin Optometric Association, Modesto, California, January 11, 1999

Role of Herbal Medicine and Nutrition in Eye Disorders. Sarver Memorial Lecture, University of California School of Optometry, Berkeley, California, January 23, 1999

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, January 29, 1999

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, February 5, 1999

Nutrition for Wellness. Sutter Solano Medical Center, Vallejo, California, February 9, 1999

Herbal Medicine and Nutrition in Ocular Diseases. San Francisco Optometric Society, San Francisco, California, May 25, 1999

The support for the use of complementary and alternative medicine in an ophthalmology practice. Contact Lens Association of Ophthalmology Annual Meeting, Las Vegas, Nevada, January 23, 2000

Regulatory Issues and Managed Care. University of California – Davis Medical Center, Department of Ophthalmology, Sacramento, California, February 28, 2000

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, March 3, 2000

Alternative therapies for the treatment of retinal disease. 22nd Annual Dallas Spring Ophthalmology Symposium, Dallas, Texas, March 10, 2000

Presentations (Cont):

Alternative therapies in ophthalmology: Panacea, fantasy or cell out. 22nd Annual Dallas Spring Ophthalmology Symposium, Dallas, Texas, March 10, 2000

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, March 17, 2000

Role of herbal medicine and nutrition for eye disorders. Better Vision – Naturally 2000 Symposium, University of San Francisco, San Francisco, California, September 16, 2000

Ocular toxicology of alternative medicine. Chairperson for Symposium, International Society of Ocular Toxicology Annual Meeting, Kiawah Island, South Carolina, October 1, 2000

Toxicology of herbal medicines. Ocular Toxicology of Alternative Medicine Symposium, International Society of Ocular Toxicology Annual Meeting, Kiawah Island, South Carolina, October 1, 2000

Alternative medicine for the treatment of systemic diseases. Morehouse School of Medicine, Atlanta, Georgia, January 7, 2001

Alternative medicine in ophthalmic disorders and the ocular toxicology of herbal medicine. Morehouse School of Medicine, Atlanta, Georgia,

January 8, 2001

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, February 9, 2001

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, February 23, 2001

Ocular toxicology of alternative medicine. San Joaquin Optometric Society, Modesto, California, April 9, 2001

Ocular toxicities of alternative and complementary therapies. Alternative Medicine Symposium, American Society of Cataract and Refractive Surgery Annual Meeting, San Diego, California, April 29, 2001

Ocular toxicities of herbal medicine. Barkan Annual Ophthalmology Conference, California Pacific Medical Center, San Francisco, California, May 5, 2001

LASIK and other vision correcting technologies. Good Samaritan Hospital Medical Center, San Jose, California, June 27, 2001

Neurological work-up for the primary care optometrist. Invited Guest Lecturer, Alameda-Contra Costa Optometric Association, Berkeley, California, October 16, 2001

Presentations (Cont):

Ophthalmic complications of alternative and complementary therapies. Instruction Course, American Academy of Ophthalmology Annual Convention, Dallas, Texas, October 23, 2001

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, April 12, 2002

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, April 26, 2002

Nutrition and retinal diseases. JCAHPO Regional Meeting, Vitreous Society Annual Meeting, San Francisco, California, September 28, 2002

Ophthalmic complications of alternative and complementary therapies. Instruction Course, American Academy of Ophthalmology Annual Convention, Orlando, Florida, October 21, 2002

Ocular toxicities from alternative therapies. Invited Guest Lecture, Association for Ocular Pharmacology and Therapeutics Annual Meeting, Kona, Hawaii, February 3, 2003

The expert witness and the nonorganic patient: discovery, documentation and *Daubert*. Functional Visual Loss Symposium, North American Neuroophthalmology Society Annual Meeting, Snowbird, Utah, February 11, 2003

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, February 28, 2003

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, March 11, 2003

Nutrition and retinal diseases. American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, April 14, 2002

Nutrition in ophthalmic disorders. The Second North American Conference on Natural Vision Improvement, San Francisco, California, April 26, 2003

Neuro-ophthalmic misadventures: Malingering, masses, and muck on the brain. OMIC Defense Counsel Seminar, Chicago, Illinois, August 15, 2003

Ocular toxicities from alternative therapies. The Pharmaceutical Society of Japan, Graduate School of Pharmaceutical Sciences, Hokkaido University, Sapporo, Japan, September 25, 2003

Presentations (Cont):

Nutrition and retinal diseases. The Academy of Pharmaceutical Science and Technology, Japan; Kobe Pharmaceutical University, Kobe, Japan, September, 26, 2003

Treatment of eye diseases with alternative therapies in the United States: Benefits and risks. Japanese Society of Pharmaceutical Health Care and Sciences; International Conference Center, Kobe, Japan, September 28, 2003

Nutrition and retinal diseases. Joint Commission on Allied Health Personnel in Ophthalmology Annual Meeting, Anaheim, California, November 16, 2003

Ophthalmic complications of alternative and complementary therapies. Instruction Course, American Academy of Ophthalmology Annual Convention, Anaheim, California, November, 19, 2003

Ophthalmic complications of alternative and complementary therapies. Instruction Course, "Basics By The Bay": Current Concepts in Ophthalmology for Ophthalmic Medical Personnel, California Pacific Medical Center, San Francisco, California, December 13, 2003

Neuroophthalmology Grand Rounds. Coordinator and discussant on case presentations by the residents. Ophthalmology Grand Rounds, California Pacific Medical Center, San Francisco, California, February 23, 2004

Hysteria, malingering and anxiety states. Ophthalmology Grand Rounds, California Pacific Medical Center, San Francisco, California, February 23, 2004

Papilledema and pseudopapilledema. University of California School of Optometry, Berkeley, California, April 16, 2004

Optic neuropathies and optic atrophies. University of California School of Optometry, Berkeley, California, April 23, 2004

Subretinal neovascular membrane and pseudotumor cerebri. 2nd Annual Symposium on Neural Hydrodynamics, Stanford, California, May 1, 2004

Lipodystrophy of the extraocular muscles associated with protease inhibitors. 15th International Neuroophthalmology Society, Geneva, Switzerland, July 23, 2004

Lectures in Neuroophthalmology. Rotavision Humanitarian Mission, Institute for Continuing Medical Education in Ophthalmology, St. Petersburg, Russia:

Neuroophthalmological Examination – July 26, 2004

Visual Field and Pupillary Examination – July 27, 2004

Motility Examination – July 28, 2004

Papilledema and Pseudopapilledema – July 29, 2004

Optic Neuropathies and Optic Atrophy – July 30, 2004

Presentations (Cont):

Implications of AREDS in ARMD. Joint Commission of Allied Health Personnel in Ophthalmology, Annual Convention, New Orleans, Louisiana, October 24, 2004

Ophthalmic complications of alternative and complementary therapies. Instruction Course, American Academy of Ophthalmology Annual Convention, New Orleans, Louisiana, October 24, 2004

Use of ocular coherence tomography in the diagnosis of optic nerve disease. European Neuroophthalmological Society, Moscow, Russia, June 28, 2005

Eye movement disorder symposium. Section moderator and commentator, European Neuroophthalmological Society, Moscow, Russia, June 28, 2005

Lectures in Neuroophthalmology and Pediatric Ophthalmology. Rotavision Humanitarian Mission, Moscow #5 School for the Visually Impaired, Moscow, Russia, June 29-July 1, 2005

Ophthalmic complications of alternative and complementary therapies. Instruction Course, American Academy of Ophthalmology Annual Convention, Chicago, Illinois, October 18, 2005

Implications of AREDS in ARMD. Joint Commission of Allied Health Personnel in Ophthalmology, Annual Convention, Chicago, Illinois, October 18, 2005

Neuroophthalmology examination and evaluation. Rotavision Humanitarian Mission, Eye Hospital #2, Ho Chi Mihn City, Vietnam, January 25, 2006

Herbal Supplements and Traditional Medication Use in an Ophthalmology Clinic. Invited discussant, 20th Annual Barkan Day: Resident Research Symposium, San Francisco, California, June 17, 2006

Basic strabismus. Rotavision Humanitarian Mission, Pskov Regional Medical Center, Pskov, Russia, July 4, 2006

Esotropia and exotropia. Rotavision Humanitarian Mission, Pskov Regional Medical Center, Pskov, Russia, July 5, 2006

Papilledema, pseudopapilledema, optic neuropathy and optic atrophy. Rotavision
Humanitarian Mission, Pskov Regional Medical Center, Pskov, Russia, July 6-7, 2006
